

The Sugar Rooms

FEATURES

Two bright distinctive rooms for up to 120 guests. The Sugar Rooms will flood your wedding with natural daylight through the elegant Georgian windows that overlook the courtyard.

The exposed timber beams add a quirky touch to the stately feel the room imposes. Split into 2 spaces, The Upper and Lower Sugar Rooms, they can be used in conjunction to host all the different stages of your day.

Upper Sugar Rooms have exposed timber beams. Directly accessed from the main venue reception the Octagon. Built in DB audio pa system and LED lighting that washes the room and highlights the beams in a selection of preset colours.
